

AUTOTRAIL

THE LATEST COLLECTION

EXCEL RANGE

Pedigree quality with a contemporary twist

An award winning range of attractive and sleek lo-line motorhomes for the aspiring traveller.

The agile, compact Excel family of motorhomes brings Auto-Trail ownership within reach of more people than ever before. These attractive low-profile motorhomes share their lineage with their more established stablemates and have the unmistakable Auto-Trail pedigree plus a few contemporary twists at prices that may surprise you.

Auto-Trail has created an entry level range that feels anything but basic. In fact, the only thing we've compromised on is the price.

CHASSIS SPECIFICATION

Designed with you in mind

Our Technical Specification has been carefully designed to assist you the customer to compare features and benefits of the 'next generation' of Auto-Trail motorhomes. The following pages contain everything that a modern day motorhome purchaser requires to make an informed decision when buying.

Excel 640 Storage Area Dimensions

Excel 640 Storage Area Size

Length: 2083mm, Width: 1090mm, Height: 580mm, Door aperture Width: 750mm Height: 850

Maximum Available Weights in Storage Area

Excel 640: 150kg

Cost option: Raised rear bed with large G door to rear side.

(Please refer to options list)

Note on Measurements and Lengths:

All dimensions and masses are calculated to the Masses and Directive 91/22 EEC

Note on Mass in Running Order:

The mass in running order is the mass of the unladen vehicle with a 75kg allowance for a driver, 90% of the fuel and fresh water capacity and gas cylinders. OPTIONS: Some options may be limited depending on the engine selected.

SPECIFICATION AND UPGRADES

Width (Mirrors Folded)	2.23m	2.23m	2.23m	2.23m

Important:

When using your vehicle or adding extra equipment, it is important that individual axle loading weights or the Maximum Authorised Weight is not exceeded. This would not only automatically invalidate any warranties, but it could also affect your safety and the handling of the vehicle. An overloaded vehicle could lead to prosecution. If you are unclear or need any further guidance as to any of the technical aspects in the operation and driving of your new Auto-Trail motorhome, please consult your supplying dealer prior to driving your vehicle on the public highway.

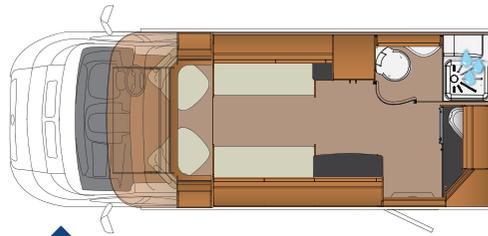

Our Seat belt Logo

Look for the logo to establish whether this option is available on your choice of model.

This logo indicates that this particular model is available with an optional layout incorporating three-point inertia reel seatbelts allowing two extra designated travelling seats.

Fiat Camper Assistance

Dedicated Service For Your Peace Of Mind

Fiat has established a dedicated call centre just for motorhome owners. Just call **00800 3428 1111** and a knowledgeable English-speaking operator will give you extensive information on the product and the services offered, and will transfer your call to a specialist technician or to Fiat Camper Assistance, the on-road support team specially set up to help drivers of Fiat-based motorhomes.

Fiat has a European network of more than 7,400 Fiat Ducato service centres, where you will find fully equipped work shops, specialist personnel, and all the parts you could need for your motorhome.

Fiat has also established more than 1,100 specialist centres where motorhome drivers are always welcome: Fiat Camper Assistance workshops, all have the capacity, lifts and parking areas suitable for your vehicle.

Alternatively dial: **00 39 02 4441 2160** from any European country, seven days a week, 24 hours a day, to get immediate help. Specialists will assist you in the event of an accident, a breakdown, running out of fuel, loss of keys, theft, etc.

While your motorhome is repaired, you can benefit from a replacement vehicle of suitable size and hotel accommodation. To enable you to resume your journey as soon as possible, the Fiat Camper Assistance call centre remains in direct contact with you and the workshop that is repairing your vehicle. Fiat will also help them order the parts needed to ensure your vehicle is repaired as quickly as possible and you can resume your trip as soon as possible.

Warranty Included

Auto-Trail has endeavoured to convey to all our customers all the benefits that are available within the industry. With this in mind, we have extended the normal manufacturer's warranty to include cover for major items for an extra period, giving peace of mind for a total of 36 months. Full details are outlined in a policy document. Please contact your official Auto-Trail stockist for further information.
