Our quotation based on the measurements, that you submitted to us.
This quotation is calculated cm-exactly. The vehicle could be measured in the port.

The offer is subject to change until shipping date.

All fees and surcharges are variable until the departure.

* Conversions of foreign currencies in current Ship Exchange Rate.

The transport of motorcycles, quads, cars must be registered and paid extra.

The vessel is not a ferry - it's a car-carrier (just cargo not tourism).

The shipping company can change the schedule without providing any reasons.

For any delays, no one can be held liable.

Under the terms of SeaBridge for Motorhomes and the shipping company.
